For Immediate Release

DEADLINE EXTENDED:

***Are You A Solar Superstar? Make a Difference One Ray at a Time
Earth Day Contest -- Deadline Extended to April 20!***

WHAT: Aspiring middle school student photographers and artists from Westchester and Rockland Counties are being given extra time to demonstrate their talent and knowledge about how the power of the sun can help our planet. Several teachers have made requests for an extension on behalf of their students as a result of spring break vacations and the standardized tests being conducted this week.

Middle school students are invited to enter to win an iPad mini 2 in the **Are You a Solar Superstar? Make a Difference One Ray at a Time** contest. Sponsored by Sunrise Solar Solutions LLC, the largest locally owned and operated solar company in Westchester County and the Hudson Valley, the contest calls for entries that show how solar power makes the Earth a better place.

The contest is open to all students in grades 5 - 8 attending schools in Westchester and Rockland counties. Students should create an original piece of artwork or photograph that demonstrates how solar power makes our Earth a better place and how it can help us save energy and reduce our carbon footprint.

The Grand Prize winner will receive an **iPad mini 2**. The winner may also have their contest submission featured in Sunrise Solar Solutions marketing materials and/or advertisements.

WHEN: Deadline extended! Entries should be submitted by **April 20, 2016**.

HOW: Entries should be sent as a jpeg file via email to earthday@sunrisesolarllc.com.

Sunrise Solar Solutions, headquartered in Briarcliff Manor, NY, is the largest locally owned and operated solar company in Westchester County. A full-service NYSERDA solar installer and NABCEP certified installer -- Sunrise offers sales, design, and

installation of state-of-the-art solar energy systems for both homes and businesses. The company focuses on aesthetics, and specializes in creating systems that are attractive and align with the design and style of every home.
